## Fēniks 75 Jobs Lane at Hill Street

Chef Douglas Gulija, who ran Plaza Cafe for 30 years, will preside over Fēniks in Southampton, along with his cousin, Skip Norsic, beginning in June. The name is a nod to their Croatian ancestry. The spot will have a chef's counter starting at \$250 with dishes such as corn panna cotta and escargot with herb risotto, as well as an a la carte menu on the ground floor, and smaller bites like surf-and-turf sliders in the upstairs lounge.
